

CITIZEN'S CHARTER 2020 (1<sup>St</sup> Edition)

#### I. Mandate:

To acquire, install, improve, maintain and operate water supply and distribution systems for domestic, individual, municipal and agricultural uses for residents and lands within the boundaries of the district.

To provide, maintain and operate waste water collection, treatment and disposal facilities.

To conduct such other function and operations incidental to water resource development, utilization and disposal within such district as are necessary or incidental to said purpose.

#### II. Vision:

To provide safe water for the constituents of Municipality to ensure economic stability and better health.

#### III. Mission:

To establish a water district, capable of supplying an affordable and potable water requirement for the people in the community in the succeeding years.

### IV. Service Pledge:

We are committed to meet your needs as water provider in the Municipality of Lebak. We pledge to provide quality service to constituents through providing safe water supply for economic stability and better health with;

- **S** Strong concern to consumer's health, water safety and service excellence in the performance of duty.
- **A** Affordable and accessible water for our beloved constituents of Lebak and its tourists
- ${f F}$  Fond and care in dealing concessionaires and stakeholders of the district
- E- Ensure compliance to water service drinking standards
- **T** Transparency and Loyalty to service
- **Y-** Yes! to responding complaints as vital in maintenance and development of water service thru our 24/7 hotlines.

"SAFETY WATER TODAY, LIVE LIFE BETTER TOMORROW"
